**The Mentor’s Moves**

■ **Pupils:** (*You have this move by default*) You have a number of students who follow your paradigmatic teachings. At the beginning of the session, roll +learning to determine how their studies are progressing. On a 10+ they have a surplus. On a 7-9, both a surplus and a want. On a 6-, they will do everything in their power to satisfy all their wants.

□ **Meditation:** When you meditate on the best course of action for considerable time, roll +Dynamic. On a 10+ hold 3, on a 7-9 hold 1. You may spend this hold 1-for-1 at any time to ask the MC a question from this list, the MC will answer truthfully.

- u take +1 forward when acting on this information.
- What’s my escape route?
- What are the unknowable risks?
- Where can the Consensus be bent in my favor?
- Who is favorable towards my plan?

□ **Academe:** You have a Place of Power where you train your students. While you are within your Place of Power, take +1 forward to any Static rolls you make.

□ **Matter over Mind:** You may roll +Static instead of +Without when impressing a *lulus naturae* in order to sway them.

□ **What you Need, not what you Want:** When another character comes to you for advice and you tell them honestly what you think the best course of action is, they take +1 ongoing while following your advice, and you mark experience.

■ When you and another character **exchange a moment of humanity**, they may immediately gain an Anchor (They still may not have more anchors than their playbook started with this way).
