The Hedge Mage's Moves  ■ Exactly When I Mean To: (You have this move by default) At
the <b>beginning of the session</b> , roll +Entropic. On a 10+, hold 2. On a 7–9, hold 1. At any time, either you or the MC can spend your hold to have you arrive in a scene, with the proper tools and knowledge, with or without any clear explanation why. Take +1 forward when you do so. On a miss, the MC holds 1, and can spend it to have you arrive, but somehow pinned, caught or trapped.
□ Call Through Shadow: When you call a mundane or common object to yourself, roll +Dynamic. On a hit, you have successfully summoned it to you. On a 10+ you're in the clear. On a 7-9 choose 1:
<ul><li>It comes out of an intense nearby situation</li><li>It comes with strings attached</li><li>It can be traced back to you.</li></ul>
☐ <b>Scrying Bowl:</b> When you have an object related to a person and use it to <b>gaze upon their current situation</b> , roll +Without. On a 10+ all 3, on a 7-9 choose 1:
<ul><li>They don't know they're being watched</li><li>You can identify where they are</li><li>You can discern what they are doing.</li></ul>
☐ If You Ask Me: When you offer an alternative perspective on someone's Paradigm, roll +Without. On a hit, they gain experience. On a 10+, give them a new Aligned related to what you told them until the end of session.
■ Magical Experimentation: When you collaborate with other Mages to push your magic past its current boundaries in a controlled setting, roll +Dynamic. On a 10+ all 3, on a 7-9 choose 1:
<ul> <li>It works pretty much as intended</li> <li>It doesn't cause a scene, draw extra attention, or harm you</li> <li>It was controlled enough that you can repeat it.</li> </ul>

- ☐ This One Is Mine: When you call out another magical being, so long as your companions don't interfere, others will give you enough space to finish it, come what may.
- When you and another character **exchange a moment of humanity**, they gain one hold, which they can spend to cause you to appear as if by Exactly When I Mean To.
