(choose one) Unplanned magic, magic not done from a terminal, my magic must be expressed as if/then conditions

Paradigm: My Own Theory of Everything

Aligned(choose one): The physical world, repeated magic

Opposed:

(choose one) Magic not of the physical world, magic that violates the Law of Entropy, my magic may not involve living things (choose this one) Magic without technological accountrements

The Tech Adept's Moves

- Universal Programmer: (You have this move by default) When you make a new piece of equipment, roll +Dynamic. On a hit you make it. On a 10+, it works and keeps working. On a 7-9, it will only last for the scene. In either case, choose a quirk:
 - The device works much more slowly than expected
 - The device requires more of a resource than expected
 - The device has a side effect when used
- Read the Web of Fate: When you enter the virtual world to Read the Web of Fate, roll +Without. On a hit, you can determine the degrees of separation between two objects or people. On a 10+, you can also get a general idea of the path between them.
- ☐ Ghost in the Machine: When you enter the Virtual World physically, you may bring other willing Mages along, and exit at any terminal you can find.
- ☐ **Things Speak:** When you examine an interesting technological or magical object, roll +Without. On a 10+, you may ask up to 3 of the following questions, on a 7-9, ask 1.
 - What strong emotions have been most recently associated with this?
 - What's wrong with this, and how might I fix it?
 - How frequently has this been handled?
 - Where did this come from?
 - How might this be dangerous?
 - Who designed this?
- ☐ Percussive Maintenance: When you impose your will on a machine, roll +Entropic. It works better. On a 10+, tell the MC how. On a 7-9, the MC will tell you how. On a 6-, the MC will tell you how, and why this is terrible for you.

■ When you and another character **exchange a moment of** humanity, they speak to you as if they were an interesting technological or magical object (whether or not you have the move). Treat it as rolling a 10+ and ask up to 3 questions from the list. If you ask more than 1 question, you speak back to them in the same way, and they may ask up to 3 questions of the same list.
