Your Cabal:

By default there are about 5 in the Cabal, you don't control them and they don't control you. You're pretty close in your outlooks on the world, but not everything lines up completely. This is a small cabal, with weak magic.

Pick up to two of these:

- You actually are in charge, or at least you founded it.
 Strength: +loyal
- There's more than just a couple of you, maybe 10 or more.
 Medium cabal.
- - You're part of a larger system, you're just one node in the leylines. Strength: +support
- - Your cabal is strong of will. Drop weak magic
- - Your cabal is very close. Strength: +family

And pick one of these:

- Your cabal doesn't keep a super low profile. Vulnerable: Target
- Your cabal owes something to someone, money, allegiance, an artifact, or the like. Vulnerable: Obligation
- Your cabal is anonymous and guarded about their identities. Vulnerable: Infiltration

Starting Gear:

- 1 Savings
- Choose a method of communicating with your cabal: A fresh batch of pre-programmed burner phones, with important numbers on speed dial; A stone that glows and heats up when you're being summoned; A heavy crystal ball.
- Choose a source of information: An ancient spellbook, passed down through the cabal; A library of broad strokes esoterica; Accounts on the leading magical webforums, such as they are.
- Choose a tool you hope to never have to use: A
 well-maintained firearm; A well-stocked first aid kit;
 Nonperishable food to last one person two months; The
 personal number of the best defense lawyer in town.

The Cabalist

In a world where mages are solitary islands of power, shaping reality in loneliness, you have a group of people who understand you.

Place of Power:

First, pick a facade:

- Library
- Fraternity/Sorority House
- Shop Basement
- Old Manor House
- Civic Building

Then pick up to 1 Strength: +respected, +private, +large, +guarded.

Pick at least 1 Weakness: +inaccessible, +obvious, +public, +tainted, +exposed, +business hours, +cramped.

A Ritual performed here will never (choose 1):

- Need more information
- · Draw unwanted attention
- · Take longer than expected

The Inspired

Many people wonder where inspiration comes from. That question is boring to you, you know the answer. The right question is, how much can you do with that inspiration?

Your Source:

First pick your Source's form: a person, an object, a substance, an abstract concept, an action, an emotion

Next choose one of these:

- - Your source can be concealed, protected, or otherwise removed from a dangerous situation (+safe)
- - Your source gives you heightened senses (+alert)
- Your source lets you understand magic as its caster understands it (+sense)
- Your source makes you feel more alive, it gives you a rush (+invigorating)
- Your source helps you get people to go along with what you want (+social)

And choose two of these:

- Your source is dangerous, socially unacceptable, or otherwise something you must hide or face consequences. (+forbidden)
- · Your source is rare or hard to find. (+rare)
- Your source is immobile, unportable, or otherwise impossible to bring with you (+immobile)
- You crave more and more of the source, you suffer without it (+addictive)
- - Your source is short-lived, and its magical enhancements last but a moment (+quick)
- Your source often harms you, physically or otherwise (+dangerous)
- - Your source makes your magic more unpredictable, you can't always control it or its effects (+chaotic)

Starting Gear:

- 3 Savings
- Choose something to fall back on: A hidden cache of valuables worth about 2 savings; A safehouse that's really more of a safe-shack; Airline miles enough for a one-way ticket to just about anywhere; Two good fake IDs; A holdout pistol with a single shot.

The Inspired's Moves

- **Source:** (You have this move by default) You've identified the source of your inspiration. When your Source first becomes present in a scene, hold 3. At any time that your source is present for the rest of the scene, spend your Hold 1-for-1 to:
 - Draw attention to your Source
 - Give someone (including yourself) +1 to a roll they just made if it would change the result, describing how your Source helps them do it
 - Bring your positive tag into play, narrating what it means for the moment
- ☐ Just When I Think You're Gone: When you pass up an opportunity to interact with your Source, or remove it from a scene, roll +Within. On a hit, hold 1. On a 10+ you may spend your hold 1-for-1 to have your source appear in the scene with no explanation needed. On a 7-9 you may spend your hold for the same, but your Source is threatened, captured, or in peril.
- Open Their Mind: When you introduce an individual to your Source to open their mind, roll +Entropic. On a 10+, they are not a Lookout the next time they would be for your magic. On a 7-9, they are drawn to your Source (if a PC, they mark experience next time they interact with your Source). On a 6-, in addition to whatever else the MC says, choose one:
- They find they have a strong aversion to your Source
- They wish to take your Source away from you.
- ☐ Opiate for the Masses: When you bring your Source to a mob, roll +Without. On a 10+, hold 3. On a 7-9, hold 1. Spend your hold 1-for-1
 - Discover a truth that they know
 - Obtain something of value or use
 - Get them to believe a truth
 - Learn their potential
 - Placate them and return them to their mundane lives.
- ☐ Visions of Fate: When you dive into the chaos surging around you to see visions of what could come to be, roll +Entropic. On a 10+, pick one person who keeps their standing, and one who doesn't. On a 7-9, pick one or the other. Don't name a PC; name NPCs only. The MC will make your prediction come true, if it's even remotely possible. On a miss, take -1 ongoing until the chaos subsides.
- When you and another character exchange a moment of humanity, roll +Entropic. On a hit you count as having Opened Their Mind, as if you'd rolled a 10+. On a 7-9 they hold 1, and can spend that hold to have your Source show up in a scene, or deny it from you for a scene. On a 6-, if they are aware of the magical world, they gain a Restriction against magic with your Source.

Your Students: By default you have about 10 students, they are moderately studious sleepers and they respect you, though they're not fully loyal. They have their own lives apart from you, family and friends in the area. (learning +1. surplus: time. want: departure.)

- Pick up to two of these:

- - Your students are driven (replace surplus: time with surplus: dedication)
- - Your students are enthusiastic (replace surplus: time with surplus: energy)

- - Your students are quick learners (+1 learning)
