| The Mentor's Moves  |

| ■ <b>Pupils:</b> (You have this move by default) You have a number of students who follow your paradgimatic teachings. At the beginning of the session, roll +learning to determine how their studies are progressing. On a 10+ they have a surplus. On a 7-9, both a surplus and a want. On a 6-, they will do everything in their power to satisfy all their wants. |
| ☐ <b>Meditation:</b> When you meditate on the best course of action for considerable time, roll +Dynamic. On a 10+ hold 3, on a   |
| 7-9 hold 1. You may spend this hold 1-for-1 at any time to ask the MC a question from this list, the MC will answer truthfully.   |
| – u take +1 forward when acting on this information.  |
| - What's my escape route?   |
| - What are the unknowable risks?  |
| - Where can the Consensus be bent in my favor?  |
| - Who is favorable towards my plan?   |
| ☐ <b>Academe:</b> You have a Place of Power where you train your students. While you are within your Place of Power, take +1 forward to any Static rolls you make.  |
| ☐ <b>Matter over Mind:</b> You may roll +Static instead of +Without when impressing a lusus naturae in order to sway them.  |
| ☐ What you Need, not what you Want: When another character comes to you for advice and you tell them honestly what you think the best course of action is, they take +1 ongoing while following your advice, and you mark experience.   |

■ When you and another character **exchange a moment of humanity**, they may immediately gain an Anchor (They still may not have more anchors than their playbook started with this way).
