The Tech Adept

Most people think magic and tech are incompatible, but you know better. You prefer to think of them as peanut butter and chocolate. And you're the sweet sweet mix.

Starting Gear:

- 2 Savings
- Choose a signature toolset: My souped-up computer; a set of scripts and daemons that I can reach from anywhere with an internet connection; All the meters, connectors, and components I could need.
- Choose something you've made: A full home automation system; An Internet watchdog to keep you informed; A weapon using Consensus-defying energies.

■ When you and another character exchange a moment of humanity, they speak to you as if they were an interesting technological or magical object (whether or not you have the move). Treat it as rolling a 10+ and ask up to 3 questions from the list. If you ask more than 1 question, you speak back to them in the same way, and they may ask up to 3 questions of the same list.

The Tech Adept's Moves

associated with this?

- Who designed this?

- Where did this come from? - How might this be dangerous?

■ Universal Programmer: (You have this move by default) When you make a new piece of equipment, roll +Dynamic. On a hit you make it. On a 10+, it works and keeps working. On a 7-9, it will only last for the scene. In either case, choose a quirk: - The device works much more slowly than expected - The device requires more of a resource than expected
